Personal data:

Date of birth: 13th of October 1993

Status: single

Education:

9/2011-6/2015 – Bachelor's degree in Technology of Lifestock Producing, A.
Baitursynov Kostanay State University

Topic of bachelor thesis: Features of horses obtained from different lines

Work Experience

1/03/2015-23/03/2015 “Turar” Situated in Kostanay region near village “Fedorovka”. Work with large cattle animals, keeping pedigree records, the implementation of artificial insemination.

1/09/2014-5/10/2014 “Ramazan Karasu” Situated in Kostanay region near village “Karasu”. Work with large cattle animals of beef production, the implementation of artificial insemination, organization of the evaluation, keeping pedigree records, preparation of rations.

14/04/2013-28/04/2013 “Kazakh Tulpar” Enterprise situated near Kostanay city. Study of the production of ecologically pure horse meat.

6/2013-09/2013 “Pizza Hut” Kingsville, Texas/USA. Summer work and travel program for students. Position: fast food restaurant worker. Responsibilities: wait out for customers order to be made, attended to customers needs, accepted payments and manned to cash register, helped in keeping the stock room clean and organized, cooking pizza. That experience was very useful for me, because I got spoken English skills and felt what it’s like to work in team.

7/10/2012-21/10/2012 Poultry farm “Shaskanat” Enterprise situated near Kostanay city. Working with broilers of meat production. Honestly that was only physical work. Moved birds from one building to another.

Additional information

English skills (advanced level), German – there is a great motivation to learn, to the beginning of internship, I plan to have a spoken level. Driver’s licence B and C categories. Very good work with computer programs: Microsoft Word, Exel, Power Point.

Personal Characteristics

Punctual, responsible, hardworking person, without bad habits. Since childhood, doing sports.
